Take a look, say and ask me why it's there

Can't you see that I'm all dressed up to take a stroll

Can't you tell that there's something in the air

I've got a date, can hardly wait, I'd like to bet she won't be late:
CHORUS

Here she comes, come on and meet a hundred pounds of what is
might-y sweet and it all be-longs to me

Flash-ing eyes and how they roll a dis-po-si-tion like a
Ros-y cheeks and red hot lips and pol-ished nails up-on her

su-gar bowl and it all be-longs to me
fing-er tips and it all be-longs to me

That pretty baby face, that bunch of style and grace, Should be in
Those lips that I desire, are like electric wire, She kissed a

Tiffany's window in a platinum jewel case, Hey there you you'll
Tree last summer and she started a forest fire, I'm in love with

get in dutch, I'll let you look but then you mustn't touch for it all be-
what she's got, and what she's got she's got an awful lot and it all be-

longs to me me
longs to me me
