Affettuoso.

O! breathe again those sounds that fill My heart with memory's
2.
Thy voice has brought the sunny days
Of childhood back to me,
When oft I rov'd the wildwood's maze,
Or climb'd the flow'ry tree.

3.
Then breathe again those sounds that fill
My heart with mem'ry's lore;
Gay hopes from future years they steal,
And all the past restore.

4.
The happier hours of youthful bliss
Come bright'ning on my soul,
The twilight walk, the sigh, the kiss,
The mirth without control.

5.
Then breathe again those sounds that fill
My heart with mem'ry's lore;
Gay hopes from future years they steal,
And all the past restore.
