New Star Spangled Banner.
Invincible Banner! the Flag of the Free!
O where treads the foot that would falter for thee?
And the hands to be folded till triumph is won
And the Eagle looks proud, as of old, to the sun?
Give tears for the parting— a murmur of prayer—
Then Forward! the fame of our standard to share!
With welcome to wounding and combat and scars
And the glory of death—for the Stripes and the Stars.

O God of our Fathers! this Banner must shine
Where battle is hottest, in warfare divine!
The cannon has thundered, the bugle has blown,—
We fear not the summons—we fight not alone!
O lead us, till wide from the Gulf to the Sea
The land shall be sacred to Freedom and Thee!
With love, for oppressions; with blessing, for scars—
One Country—one Banner—the Stripes and the Stars.
