2.

Let freemen's voices raise  
 A Hymn of grateful praise  
     For Harrison,  
 Our love is his just claim —  
 Our hearts enshrine his name —  
 History records his fame  
     Brave Harrison!

3.

He for his country fought —  
 Her foes submission taught  
     Brave Harrison!  
 He, for his country's weal  
 Obeys the nation's will  
 The chair of state to fill  
     Brave Harrison!

4.

Loud let the Cannon's roar  
 Proclaim from shore to shore  
     Brave Harrison!  
 God bless the President  
 He hath us kindly sent —  
 Let all with one consent  
     Sing loud — Amen!

5.

May Heaven vouchsafe to bless  
 Both Houses of Congress,  
     And all in power;  
 May all their acts be peace,  
 And tend to the increase  
 Of Unity, ne'er to cease  
     Never — no never!
