OUR FLAG, OUR ARMY, AND OUR PRESIDENT!

QUARTETTE.

Words by J. E. DUDLEY.

Music by W. H. PERRY.

1. Hither we come to stand be-neath the flag,
 2. Hither we come to give our fond-est thanks
 3. Hither we come to pledge a-new our vows

4. We hail thee then, thou glo-rious stars and stripes!

Whose stars are brightest of all stars to-night:
 To those brave ones, who fearless stand to-night:
 To him who through the darkness of the night,
 Thy folds shall wave for-ever proud and free!

Hith - er we come to vow a - gain our love,
 Be - tween our homes and trea - son's blast - ing hate,
 The na - tion's head, the sad - dest weight has borne,

We hail thee brave ones stand - ing by the flag!

For those proud col - ors, red and blue and white;
 Wri - ting in blood their love for truth and right;
 With hon - est heart and liv - ing faith in right;

Thy feet shall find the path to vic - to - ry;

And while up - on its ra - diance we shall gaze,
 Hith - er we come brave brothers in the front,
 Hith - er we come to pledge a - new our vows,

We hail thee noble one whose name we raise

The pray'r up - on the lips of all shall be!
 To give a - new our hearts and hands to thee!
 And hope for peace with treason stricken dumb

A - gain up - on our shouts with glad con - sent!

God bless the flag our fa - thers gave to us!
 God bless our Grant and all his no - ble band!
 Stand - ing by him when first the sun went down,

To - night with Loy - al hearts our cry shall be,

God bless the glo - rious en - sign of the free!
 God bless the daunt - less ar - mies of the free!
 We'll stand by him, un - til the morn shall come.

Our Flag, our Ar - my, and our Pres - i - dent!

CHORUS.

God bless the Flag our fa - thers gave to us!

God bless our Grant and all his no - ble band!

Stand - ing by him when first the sun went down,

To - night with loyal hearts our cry shall be,

God bless the glo - rious en - sign of the free!

God bless the daunt - less Ar - mies of the free!

We'll stand by him un - til the morn shall come.

Our Flag, our Ar - my, and our Pres - i - dent!
