TO ARMS! TO ARMS!

Written & Composed by William F. Otten.

Music Arranged by Vanderweyde

Allegro Maestoso.

To arms! to arms! ye Sons of the North! Rally un der the Flag of the Un ion; Pro
...tect and defend her, for ever she's worth. To be held next our

free Constitution; Let us go where the Flag of our

Country calls, Who stands by the Union is a

martyr if he falls! Let us go where the Flag of our
Country calls Who stands by the Union is a Martyr if he falls!

To arms! To arms! Unsheathe the sword! For our glorious
Flag is insulated! Be true to the Union and
strengthen the cord. Of the Bond that from Freedom resulted.

It was won by our Fathers' mid struggles and blood. Keep the

Flag of the Union as a most sacred good! It was
won by our Fathers with struggles and blood! Keep the
Flag of the Union as a most sacred good!

To arms! To arms! turn
backward the tide, Of the war, that is threat'ning our home,

That born in treason and foster'd by pride, Points its sword at our Capitol;

dooms Hark! the Stars and the Stripes speak of glory of yore! Let us stand by that Banner or
breathe never more! Hark the Stars and the Stripes speak of

glory of yore! Let us stand by that Banner or

breathe never more!
