5.
Once on a time to fair Chicago town,
Delegates of wide renown,
Came a Candidate to crown,
Fitler fitted some and some they were for Rhine,
But Benny boy he got there just the same.

6.
Now just as Caesar had his Brutus bold,
Charles the First his Cromwell cold,
And George the Third as we've been told,
Had his Continentals Young and Old,
So Grover C. has had his fortune told.
