By evry bachelor for life
 A duty must be paid
 Refusing now to take for wife
 An antiquated maid
 Poor foul how great must be her joy
 Who such a lot escapes
 No more with pug or puss to toy
 And freed from leading apes
 What wonderful suprising news
 For all your tabby hoft
 Who may the tidings glad peruse
 In Hymens Evening Post
 Great News &c

A bachelor moreover is
 A poor unhappy 'elf
 Who void of all domestic blifs
 Lays snoring by himself
 He need not now to cheer his mind
 In search of goffip roam
 For sure as fate hell always find
 Enough of that at home
 For bachelors what pleasing news
 And all your tabby hoft
 Who may the tidings glad peruse
 In Hymens Evening Post
 Great News &c
