

A CANON FOR THREE VOICES BY JOSEPH HAYDN.

So composed, that, whether it is read backwards or forwards, beginning at the top, the bottom, or the middle of the page, in short, in every possible way, it always presents an air, and a correct Accompaniment.

Thy Voice O har-mo-ny is di-vine.
 Thy Voice O har-mo-ny is di-vine.
 Thy Voice O har-mo-ny is di-vine.
