All musicians know that Handel, (the master of masters), was the original composer of the anvil chorus.

The Harmonious Blacksmith.

By G. HANDEL.

VAR. I.

The musical score is written for piano in G major and common time. It consists of three systems of music, each with a treble and bass staff. The first system is marked *Marcato* and *f*. The second system is marked *Appassionamento* and includes dynamics *cres.*, *f*, *mf*, and *f*. The third system is marked *Primo tempo* and includes dynamics *cres.*, *f rall.*, and *sf*.

Black rough hands and soiled clothing are no longer the characteristics of a Blacksmith or of Iron-workers, as science has given to the world "Coal Oil Johnny's Petroleum" Soap, which removes dirt, grease and stains. The process by which it is made is patented, and the materials used are unlike those contained in any other soap. Yet it does the work that no other soap will do. The U. S. Government chemist made a test. Result: It is now used in every military post, from the Atlantic to the Pacific ocean.
