The same old moon that shines upon the river immortalized by Stephen C. Foster's "Swanee River" is sung of again in this song of charm and world-old love - "Swanee River Moon."

Harmony notes for two voices are interwoven with a pretty waltz-time melody and sentimental lyrics that you will want to try over and over. Find a place in your library of records and player rolls for "Swanee River Moon." Your dealer will be glad to play it for you.
