

**HAIL, GLORIOUS BANNER**  
OF  
**OUR LAND!**

---

Hail, glorious banner of our land!  
Our own red, white, and blue!  
The starry welkin lends to thee  
Those emblems bright and true.  
From pole to pole, in every clime,  
On every land and sea,  
Despot and slave alike revere  
The banner of the free!
