Be A True American

Words by
J. WILL CALLAHAN
and FRANK H. GREY

Music by
FRANK H. GREY

Marziale

Piano

Awake ye sons of America,
A ruthless foe endures.

Arise ye sons of America,
And strike for home and nation.

Danger The God of Freedom is guiding us,
The world gives approbation.

Strangers For true-born sons of Freedom's land
Can never brook indignities.

Glorious And let them fear each time they hear
Our battle cry victorious.
