Moderato.

PIANO

The musical score is written for piano and voice. It begins with a piano introduction in 2/4 time, marked 'Moderato'. The piano part consists of two staves: a treble staff with a melody of eighth and sixteenth notes, and a bass staff with a harmonic accompaniment of chords and single notes. The vocal line is written on a single staff in the treble clef, with lyrics underneath. The lyrics are: 'No - ah, built an ark bof' long and wide. But great cre - a - tion, how - de git - em in. For to hold de an - i - miles all in - side. But'. The piano accompaniment continues throughout the vocal lines, providing a steady harmonic background.

No - ah, built an ark bof' long and wide. But great cre - a - tion,
how - de git - em in. For to hold de an - i - miles all in - side. But

great cre - a - tion, how - de git - em in. Day say he laid 'em out in pairs, De

rat-tle-snakes and de po-lar bears Just de kind of krittlers for to make yo' say yo' pray'rs But

great cre - a - tion how - de git - em in

He strung em all out in a line, But great cre-a - tion how - de git - em in

Croc-o-dile and de por-cu-pine, But great cre-a-tion how de git'em in, De

mon-key and de kan-ga-roo, De ti-ger and de tom-cat, too,

'Twas a greater show than de Fairmount Zoo, But great cre-a-tion how de git'em in.

Dar were birds and bugs and bumble bees
 But great creation how-de git-em in
 And Jersey skeeters and Irish fleas
 But great creation how-de git-em in
 De lions from dar jungle lairs
 De chip-munk de coon and de little hares
 Day had a great time workin' de grub on shares
 But great creation how-de git-em in

And when he got'em all on board
 But great creation how-de git-em in
 De ginne-pig squealed and de Unicorn roared
 But great creation how-de git-em in
 De screech of de parrot and de grunt of de sow
 De howl of de wolf and de bellow of de cow
 Old Noah would shinn up de mast to git out of de row
 But great creation how-de git-em in
