How can I leave Thee.

GERMAN MELODY.

Words by Alfred N. Gilbert Esq. * Arranged by George Valeolon.

Moderato.

How can I from thee part

How can I leave thee? How can I break apart

How hail' alone my heart Dear one believe

Ties that have bound my heart Con...stant to thee?

525. 4.

Entered according to Act of Congress 1858 by Tripp & Cragg, in the clerks office of the district court of Ky.

Thou hast this soul of mine tis but a part of thine

Earth has no hap-pi-ness, Joy has no power to bless,

Life would but grieve me, Severed from thee.

3rd verse *Howe La bird love* *I'd soon return to thee*

2nd verse
Yet I must leave thee! Thy lips the words have said,
How can I leave thee? How could I e'er forget,

For hawks nor falcon's beak, I should stay my flight

And thro' my peace is dead, Long ing for thee;

Sun..... light for e'er had set, Dark... ling on me.

if thro' my winters ball, I at thy feet would fall

Still thro' the com...ing years, Tho' my path be thro' tears,

Mem'.....ry would shadows cast, Drawn from the vanish'd past,

I shed't show one tender tear, Joyful I'd die

Yet, should it grieve thee, Think not of me.

Life would but grieve me, Sev.... er'd from thee.
